

I'm Quincy Banks, a 5 Year Collegiate Football player with a passionate for Visual/Graphic Art. I have a deep appreciation for creativity and design. With a keen eye for detail and a love for visual storytelling, I thrive on translating ideas into captivating artworks. My ability to adapt to diverse styles and collaborate effectively allows me to deliver compelling solutions that resonate with audiences. From conceptualization to execution, I enjoy pushing the boundaries of visual expression and creating meaningful experiences through art and design.

## Education

**Wilkes University, 2024**  
**Bachelor of Arts degree in Digital Design & Media Art**  
**Minor in Art**

## Work Experience

**2023- Present**     **Head Chair of Media & Design**  
**Wilkes University Black Student Union**

Our mission is to create a welcoming environment for all students and faculty while promoting unity and empowerment through the exploration of Black/African-American culture and history. Working closely with the Multicultural Student Coalition, we facilitate educational programs, social justice events, and cultural celebrations to foster understanding and appreciation

**2023**     **Wilkes University Football Graphics Intern**

Responsible for the overall visual aspects of an advertisement or media campaign and coordinate the work of other creatives & coaches, such as graphics, videography & photography
